DESCRIPTION

Elegant panoramic apartment in villa with sea and panoramic view

Elegance, privacy and a simply enchanting sea view characterize this prestigious property located in Sori, within a beautiful villa composed of a few units, a reserved and charming context. The apartment, of about 150 square meters, is in perfect internal condition and is ready to be lived in. The dominant position and the triple exposure to the east, south and west guarantee extraordinary brightness throughout the day, enhancing every room of the house. Distinctive element of the property is the wonderful condominium garden, well-kept and surrounded by greenery, as well as an exclusive private access to the sea with a sun terrace, ideal for moments of relaxation in total privacy. The

interior is developed in a harmonious and functional way: a large and bright living room with access to the sea view balcony, a separate kitchen also served by a second balcony, three bedrooms and two bathrooms. The spaces are generous and well distributed, designed to offer comfort and livability both as a main residence and as a valuable leisure residence. A parking space and a convenient garage complete the property. The property is located on the second floor of a three-level building, in cadastral category A/2, with low operating expenses. A unique solution, capable of combining charm, privacy and the privilege of experiencing the sea just a few steps from home.
